

Port Jefferson robotics teams participate in tournament

The Port Jefferson Free Library's Lego robotics teams participated in the School-Business Partnerships of Long Island, Inc. presentation of the FIRST (For Inspiration and Recognition of Science and Technology) LEGO League qualifying tournament Jan. 21 at Central Islip High School. While both teams did well at the competition, Llamajacks #7854 will be advancing to the next round, which will be held Sunday, March 5 at Longwood High School.
