

FIRST® Long Island Info Night Webinar!

October 13th at 7 PM

FIRST is a global robotics community that prepares young people for the future through a suite of inclusive, team-based robotics programs for ages 4-18 (PreK-12) that can be facilitated in school or in structured afterschool programs affiliated or not affiliated with a school district. *FIRST* team members also get access to multiple scholarship opportunities and post-school career opportunities including internships!

FIRST Long Island operates the *FIRST* Programs on Long Island, reaching thousands of Long Island students every year across Nassau and Suffolk County.

Anyone who wants to find out more about Long Island robotics should attend!

Are you:

A new *FIRST* Coach/Team?

A *FIRST* Alum?

Interested in *FIRST* Certified Professional Development for educators?

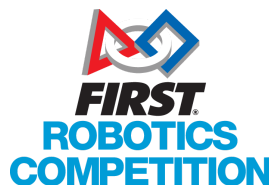

Interested in volunteering in your community?

A school wanting to find out more information?

A Parent?

Then this night is for you! Come join us for a live webinar for more information and a Q&A session. Please RSVP by **October 11th** at the link or QR code below:
